

Kroll Solutions

KROLL IS THE LEADING GLOBAL PROVIDER OF RISK SOLUTIONS. For more than 40 years, Kroll has helped clients make confident risk management decisions about people, assets, operations and security through a wide range of investigations, cyber security, due diligence and compliance, physical and operational security and data and information management services. Headquartered in New York with more than 35 offices in 20 countries, Kroll has a multidisciplinary team of nearly 1,000 employees and serves a global clientele of law firms, financial institutions, corporations, non-profit institutions, government agencies and individuals.

INVESTIGATIONS AND DISPUTES

At Kroll, we work in small multi-skilled teams to deliver customised investigations which produce evidence that meets the highest litigation standards.

Our advantage lies in the diverse skills available within our global investigations practice, comprising experienced investigators, financial analysts, forensic accountants, insolvency professionals, country and sector specialists, computer forensic and cyber experts, as well as intelligence analysts and former prosecutors.

- Litigation and Dispute Advisory
- Fraud and Financial Investigations
- Cyber Investigations
- Business Intelligence, Market Entry and Due Diligence Investigations

CYBER SECURITY

Clients turn to Kroll for assistance protecting the data vital to their business or organisation.

We help clients identify and manage risks related to the use, transmission, storage and disposal of information. We protect networks, computers, programs and data from attack, damage or unauthorised access.

In the event of an intrusion or data breach, we provide incident response and remediation solutions that extend to the consumer level in cases of personal information exposure.

- Threat Assessments and End Point Monitoring
- Information Assurance and IT Security Compliance
- Network Security and Data Breach Response

COMPLIANCE

Kroll provides clients with the intelligence they need to make informed decisions about the companies and people with whom they do business.

We help financial, investment, legal and compliance officers find and interpret complex information and develop comprehensive due diligence and compliance programs.

- Red Flag Screening
- Anti-Money Laundering and Anti-Bribery Compliance
- Third Party and Vendor Screening

SECURITY RISK MANAGEMENT

Kroll's comprehensive security services enable you to manage risks to people, operations, facilities and assets. Our experts identify vulnerabilities, provide recommendations and implement solutions that help clients reduce their exposure to risks.

- Vulnerability and Security Assessment
- Executive Protection and Threat Management
- Business Continuity, Resilience and Crisis Management Planning
- Security Audit, Design and Engineering
